Hey Karen and Tom,  
I'm catching up on BDCP IMT. Take a look at this paper and see if you think there is anything we need to add.

IMT'ers, attached is a first draft of the Governance Issue Paper for discussion Friday. I'll be working on it some more this afternoon based on conversations with Roger Patterson. If you have any comments let me know and I'll incorporate. Carl

Hi All,

As discussed during yesterday's IMT mtg., here is a list of write up assignments:

Governance - CFG

Adaptive Management - FWS

Conveyance - NMFS

Operations - Fish Agencies

Habitat - CFG & ICF

BGOs - Reclamation

Attached for your information is a blank issue paper to ensure format consistency. In addition, I took the liberty of populating a sample issue paper based on my own understanding of BGOs. The write up assignments (issue papers) are due to the IMT group by COB April 5, 2012. The plan is to discuss issue papers during our April 6 IMT mtg.. Thanks in advance. FB
